

Scholarship for EATAW 2017

Terms and Conditions

Up to five scholarships offering a 50% discount on the conference fee are available to PhD students who have had a conference contribution accepted. The deadline for submission of scholarship applications is 13th March 2017. Applicants will be informed of the outcome of their application by 9:00 (GMT) on 22nd March 2017.

Applicants for a scholarship are required to demonstrate that their PhD research is relevant to the conference theme and that their host institution is unable to financially support the full conference fee. They are also required to submit proof of PhD student status* and a completed application form signed by the PhD supervisor.

Scholarship recipients will be selected on the basis of the score awarded to the contribution proposal by abstract reviewers. Only applicants whose contribution proposals were submitted by the published deadline and who have submitted both the completed application form and proof of PhD student status will be considered.

Please note that the 50% discount applies to the conference registration fee only. All other costs associated with the conference will be charged at the full rate, including accommodation and evening meals.

Completed application forms and proof of PhD student status should be sent by email to EATAW2017@royalholloway.ac.uk.

*Proof of PhD student status should include: your full name, the name of your institution, your dates of study (i.e. still currently a student), your level of study (i.e. PhD, rather than undergraduate or masters level study).
